

Material Safety Data Sheet

31-Jan-14

1. Product's and Manufacturer's information

1.1 Product name	Iron powder	Crean Mix powder JIP-KW06.33
1.2 Manufacturer	Name Address	JFE Steel Corp., East Japan Works (Chiba) 1, Kawasaki-cho, Chuo-ku, Chiba-shi, 260-0835 JAPAN

2. Information of chemical composition

2.1 Chemical description : Premixed Iron powder

2.2 Ingredients : Iron (CAS-No. : 7439-89-6)

3. Hazards identification

none

4. First aid measures

4 General information

4.2 Inhalation	:Remove the affected victim from exposure
4.3 Skin contact	:Wash immediately with soap and water. Remove contaminated clothing.
4.4 Eye contact	:Rinse immediately with water. Call for medical attention.
4.5 Ingestion	:Call for medical attention.

5. Fire-fighting measures

5.1 Qualified extinguishing media	:Use ABC extinguishing agent, or water spray.
5.2 Not qualified extinguishing media	
5.3 Fire/explosion protection	:Keep floor clean; avoid heat
5.4 Further information	:Avoid dust clouds

6. Accidental release measures

Vacuum up using vacuum cleaner or collect mechanically

7. Storage and Safe Handling

7.1 Storage	:Store away from open fire, heat and humidity.
7.2 Handling	:Close used container carefully.

8. Exposure control and personal protection

Work hygienic	:When handling product do not eat, drink, smoke or snuff. Take off all contaminated clothing. Wash hands with soap and water.
Respirators	:Dust filter
Eye protection	:Eye glasses
Others	:Use ventilators.

<u>9. Physical and chemical properties</u>		
9.1 Appearance	Form	:powder
	Colour	:gray
	Odour	:non
9.2 Change of state		
	Melting point	:1535°C (iron)
9.3 Flash point		:N.A.
9.4 Ignition temperature		:N.D.
9.5 Explosion limits		:none
9.6 Vapour pressure		:N.A.
10 Bulk density		: 1500 - 4000 kg/m3
10 Solubility in water		:not soluble
10 pH value		:N.A.
9.10 Viscosity		:N.A.
9.11 Further information		:Heavy clouds can react on fire.
<u>10. Reactivity/ stability</u>		
10.1 Thermal decomposition		:not known
10.2 Hazardous reactions		:not known
10.3 Hazardous decomposition products		:not known
<u>11. Toxicological information</u>		
11.1 Oral toxicity		:N.D.
11.2 Dermal toxicity		:N.D.
11.3 Inhalation toxicity		:N.D.
Iron is non toxic. No chronic effects are known. Inhalation of metal fume may cause metal fume fever.		
<u>12. Ecological information</u>		
There is no useful information now.		
<u>13. Disposal consideration</u>		
:Dispose material in accordance with regulations. can recycle for steel scrap.		
<u>14. Transport information</u>		
UN Classification : Not applicable UN Dangerous Goods Number : Not applicable		
<u>15. Regulatory information</u>		
:none		
<u>16. Other information</u>		

This information only concerns the above mentioned product and does not need to be valid if used with other product(s) or in any process. The information represents our best present knowledge and is given in good faith but without warranty. It remains the users responsibility to make sure that the information is appropriate and complete for his special use of product.
